

Cloud Dough

1. 2 parts **corn flour/corn starch**.

2. 1 part **conditioner**.

3. Food colouring (optional)

4. Give the mixture a good stir, start with a spoon but then get those hands in. Mix until it is dough consistency, you may need to add some more conditioner or cornflour depending on the texture

5. Have FUN moulding, squishing, shaping and playing with your new dough!
