

Leaf Man

Story	Resource
Leaf Man used to live near me, in a pile of leaves .	Leaves
But yesterday the wind blew Leaf Man away, he left no travel plans.	switch activated fan.
The last time I saw him, he was heading east past the chickens	feather covered BigMac, sound of the chickens
Towards the marsh	Wet, cold soil
Well Leaf Man's got to go where the wind blows	Switch activate the fan.
Is he drifting west above the orchards?	apple, apple puree. Pear, pureed pear.
Or past the spotted cows?	, cow noises.
Maybe Leaf Man is flying along the river following butterflies going south.	feel the cold water.
When Leaf Man looks down on earth is he lonesome for a home?	bunch of keys
This I do know! Where a Leaf Man will land, only the wind knows.	Listen to the sound of the wind recording.
